Dear Mr. Anderson and Mr. Wianecki:

This letter shall serve as official notice that American Federation of State, County and Municipal Employees Council 64 has requested to withdraw as the certified employee organization representing certain employees of the Topeka Housing Authority and that the request has been granted. Please note that notice of American Federation of State, County and Municipal Employees Council 64 intent to withdraw was posted in conspicuous areas of the workplace for a period of thirty (30) days. This notice directed anyone taking exception to the action to notify this office. No objections to the action were filed and I am therefore declaring that the representation status has been dissolved.

The dissolution shall become final on review by the Public Employee Relations Board at its next regularly scheduled meeting now scheduled for December 1, 1986.

Sincerely,

Jerry Powell, Executive Director
of the Kansas Public Employee
Relations Board
