ORDER AMENDING UNIT DETERMINATION

NOW, on the 14th day of October, 1991, the above-captioned matter comes on for review by the presiding officer. By way of background, a petition for unit decertification was filed in case number 75-UDE-3-1992. During and following the pre-election conference it was determined that the original unit determination (Case Number UDC-10-1977) was by order of the Public Employee Relations Board dated April 27, 1977.

Since the filing of the original order certain job classifications have been deleted on titles changed without notification to the Board. In order to have an accurate record for determination of eligibility to vote in the decertification, it was agreed the certified representative and Shawnee County would provide a current list of job classifications they agree are included in the bargaining unit. The list provided is as it appears in the current negotiated agreement.

75-UDE-3-1992

Pursuant to mutual agreement of the parties, and the Board finding no statutory violation in the proposed unit amendment, the proposed amendment should be granted. The unit shall consist of the following classifications:

INCLUDE: Security Guard
Safety Coordinator
Road Maintenance Apprentice
Bridge Maintenance Apprentice
Custodian
Service Attendant
Road Maintenance I
Road Maintenance II
Bridge Maintenance I
Bridge Maintenance II
Mechanic I
Mechanic II
Equipment Operator I

EXCLUDE: County Engineer
Assistant County Engineer
Secretary - Payroll Clerk

Receptionist - Clerk
Construction Inspector
Shop Manager
Shop Foreman
District Road Supervisor
Bridge & Culvert Supervisor
Bridge Foreman
Traffic Supervisor

and the Teamsters Local 696 shall be the exclusive employee representative for the bargaining unit pending the outcome of the decertification election.

IT IS SO ORDERED this 15th day of October, 1991.
